About Us

A BRIEF STORY ABOUT THE COMPANY

Neptune Global Energy Services – L.L.C – S.P.C is an international energy and engineering services company established in **2023** to support the growing demands of the oil & gas, power, and industrial sectors across the UAE, Middle East, and global markets. The company is committed to delivering high-quality technical services, innovative solutions, and reliable project support for energy infrastructure and industrial developments.

The company is legally registered in the United Arab Emirates and is authorized to undertake a wide range of engineering and energy service activities in accordance with applicable regulatory requirements.

Office Address: Office No. M6, C3 Building, Near Safer Mall, Shabiya M9, Abu Dhabi, P.O. Box: 91800, United Arab Emirates

Company Registration No.: CN-5167538 | **TRN:** 104250312600003

About: Indian Operating Entity

Naptune Powertech Energy Services Private Limited (NPES) is an engineering and energy services company established in **2019** to support the growing demands of the power, oil & gas, and industrial sectors through advanced technology and professional expertise.

NPES delivers a wide range of services including Engineering, Installation, Fabrication, Testing, Commissioning, and Operation & Maintenance (O&M). The company also provides technical manpower support, project assistance, import-export facilitation, and pre-commissioning services to support energy and infrastructure projects.

With a strong commitment to quality, safety, and operational excellence, NPES focuses on delivering reliable, efficient, and cost-effective solutions tailored to the specific needs of its clients while maintaining high standards of professionalism and technical capability.

Registration Number (GSTIN): 08AAHCN1540L1ZC |

Address: Uday Nagar, Khasra Number 19/379, Barmer Agore, Tehsil – Barmer, District – Barmer, Rajasthan – 344001, India.

Appreciations

Leadership Introduction

KESHA RAM N. (KESHAV SAIN)
CEO & Managing Director

Mr. **Kesha Ram N. (Keshav Sain)** is the Founder, Chief Executive Officer, and Managing Director, responsible for the strategic leadership and overall management of **Neptune Global Energy Services – L.L.C – S.P.C (UAE)** and **Naptune Powertech Energy Services Private Limited (India)**. He plays a key role in driving the organization's growth, operational excellence, and long-term business strategy across regional and international markets.

He holds a Bachelor of Technology (B.Tech) in Electrical Engineering and brings more than 15 years of professional experience in the energy and engineering sectors. Under his leadership, the organization has developed into a reliable service provider recognized for delivering efficient, high-quality, and performance-driven engineering and technical solutions.

His professional expertise includes engineering services, installation, testing and commissioning, operational support, and project execution across various energy and industrial sectors. He places strong emphasis on operational discipline, safety compliance, quality assurance, and effective project management across all operational locations.

Through his strong technical background, strategic vision, and hands-on leadership approach, He has established a culture of professionalism, accountability, and continuous improvement within the organization. His leadership continues to strengthen the company's capabilities and expand its presence in supporting energy and industrial projects across India, the UAE, and international markets.

Vision, Mission & Values

VISION

To be a globally respected leader, recognized for our unwavering commitment to excellence. We strive to set industry standards and foster trust through our innovative solutions and exceptional service.

MISSION

Deliver world-class services & technical solutions with a global reach. Embrace best international practices to ensure unparalleled quality.

Commit to continuous innovation, high performance, safety, and environmental respect. Prioritize customer satisfaction, stakeholder care, and societal well-being.

VALUES

Set measurable targets to drive innovation, boost efficiency, ensure top safety standards, and prioritize sustainability in every project.

OBJECTIVES

Our Offerings

A. Integrated Projects (EPC)

B. O&M Services

- ◆ Refineries
- ◆ Petrochemicals
- ◆ Fertilizer
- ◆ Oil and Gas
- ◆ E&P Facilities Focussing on Fabrication
- ◆ E&I
- ◆ Shutdown & Rental Services

C. Contract Manufacturing

- ◆ Rental and Refurbished Equipment
- ◆ Pressure Vessels
- ◆ Heat Exchangers
- ◆ Custom Equipment Manufacturing

D. Manpower Services

E. Civil Works

Finances

FINANCIAL YEAR TURN OVER (INR CRORE)

The company has demonstrated consistent financial growth and operational expansion over the past three financial years, reflecting its increasing project portfolio, strengthened client relationships, and enhanced service delivery capabilities across the energy and industrial sectors.

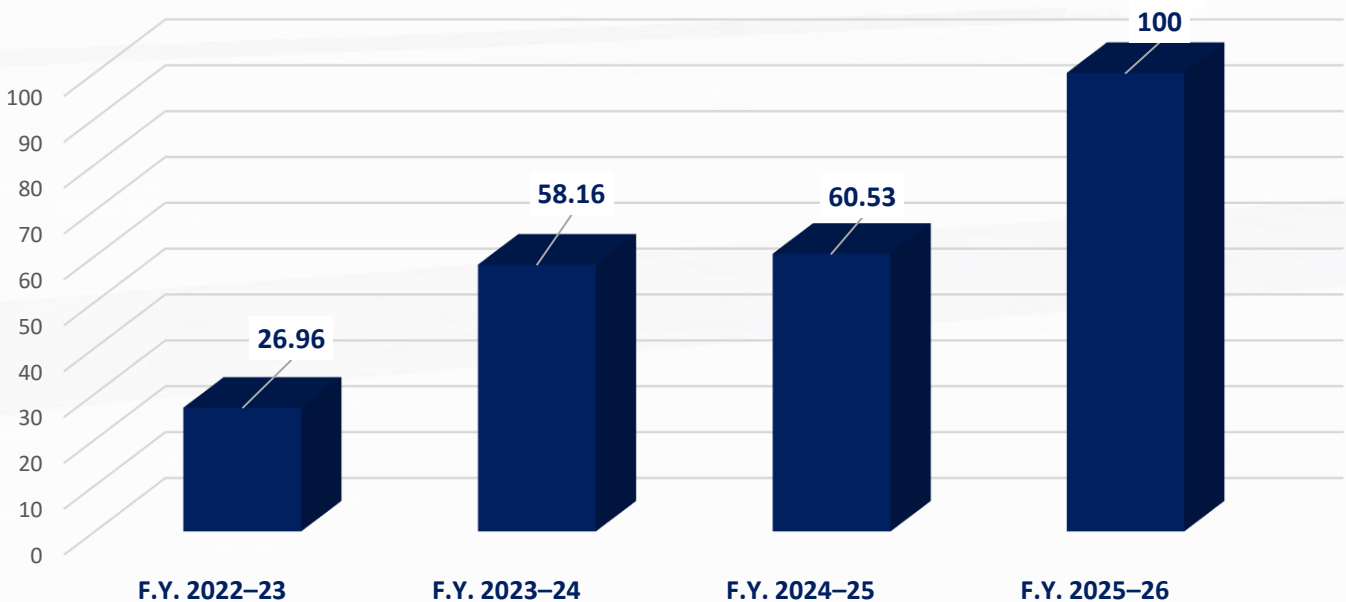

In **Financial Year 2022–23**, the company achieved a turnover of **INR 26.96 Core**, marking a significant milestone in its growth trajectory and establishing a solid foundation for future expansion. Building on this momentum, the company recorded a substantial increase in **FY 2023–24**, with turnover reaching **INR 58.16 Core**, representing strong growth driven by increased project execution, expanded service offerings, and improved operational efficiency.

The positive growth trend continued in the most recent financial year, **FY 2024–25**, during which the company achieved a turnover of **INR 60.53 Core**. This performance reflects the organization’s ability to sustain growth while maintaining high standards of quality, operational discipline, and client satisfaction.

For the current financial year, **FY 2025–26**, the company’s turnover is estimated at approximately **INR 100 Core (Provisional)**, indicating a significant expansion in business operations and project execution.

The sustained upward trajectory in financial performance reinforces the company’s credibility, operational strength, and long-term growth potential, positioning it favorably for further expansion in both domestic and international markets.

ONGOING O&M CONTRACTS WITH PETROFAC, SP BUMI ARMADA and L&T HYDRO CARBON IN RAJASTHAN , VEDANTA – (CAIRN OIL & GAS FIELD) WITH 600 + MANPOWER & OTHER RESOURCES :-SINCE 2021 TO CONTINUE

- Technical Manpower Supply for Operation & Maintenance (E/M/I).
- HVAC Maintenance.
- Comprehensive Service Contract – Fire & Safety with Equipment.
- Comprehensive Service Contract - Road Safety Transport Management.
- Comprehensive Service Contract of OHL, Lighting and Earthing.
- Scaffolding & Painting Services
- HDPE Piping Maintenance Services. Fabrication &
- Paramedic Services.
- Bolting & Torquing Services.
- High Pressure Hydrotesting.
- Electrical Condition Monitoring Service

CIVIL WORKS

- RMC Supply.
- Earth Works include all types of Excavation, Backfilling, and Road Grading works.
- Pre-cast Concrete Works, Industrial Cast Works at Site i.e. (Manhole, Hand Hole, Storm Water Pit, Foundations).

Safety Milestones

We have been awarded and appreciated for following safety norms by our clients.

- 10,83,960 Safe Man hours at Raageshwari Deep Gas Field.
- 3 Million Safe Man hours at HPCL Refinery, Vizag in August 2023.
- Safety Day Program 04th March 2021 Successfully Completing Safe Man Raageshwari Deep Gas FIELD.
- Petrofac Project for HPCL Refinery, Vizag : We have achieved 3 Million Safe Hours in August 2023.
- Recognition: Appreciation from the Minister of Rajasthan Govt and District Magistrate at Barmer.
- **3 Million Safe Man hours at L&T HRRL Refinery, Pachpadra in July 2025.**

Our Services Portfolio/Overview

Sr. No.	Service Category	Description / Scope	Remarks
1	HVAC Services	Heating, Ventilation, and Air Conditioning system supply, installation, and maintenance.	
2	Electrical & Instrumentation Services	Electrical installation, lighting, transformer testing, relay testing, thermography, PD test, Tan Delta, SFRA, MCSA, and instrumentation works.	
3	OHL (Overhead Line) & Earthing Services	Overhead line erection, corridor earthing, and related high-voltage testing.	
4	Fire & Safety Services	Firefighting system operation and fire department manpower support.	
5	Road Safety Management Services	Road safety planning, signage installation, and safety manpower deployment.	
6	Scaffolding & Rigging Services	Certified scaffolding, rigging, and manlift services for industrial works.	
7	Material Supply & Handling Services	Supply of electrical, HVAC, and mechanical consumables and materials.	
8	Mechanical Fabrication & Erection Services	Fabrication, erection, hydrotesting, bolting, torquing, and painting works.	
9	Water & Waste Management Services	Water tanker, reject water pump, and backwash pit cleaning.	
10	Pipeline & HDPE Repair Services	CPVC/HDPE piping works, leak repair, and maintenance services.	
11	Manpower Supply Services	Skilled and unskilled manpower for shutdown, non-routine, and MOC works.	
12	Vehicle & Equipment Hiring Services	Supply of vehicles, manlifts, and equipment on hire basis.	
13	Testing & Diagnostic Services	Transformer oil filtration, DGA, BDV testing, cable testing, HI-POT, and calibration.	
14	Electrical Condition Monitoring	Hot spot monitoring, thermography, and preventive maintenance testing.	
15	Earth Pit & Lightning Protection Services	Chemical earth pit installation and lightning arrester assessment.	
16	Environmental & Plumbing Services	Green belt plumbing, RO plant, and filtration media replacement.	
17	Safety & Training Programs	Defensive driving training and safety awareness programs.	
18	Shutdown & Maintenance Services	Execution of planned shutdowns, inspection, and maintenance activities.	
19	Trench & Land Restoration Services	Trench cleaning, land restoration, and segregation of scrap.	
20	Hydrojetting & Cleaning Services	Hydrojetting for heat exchangers and mechanical cleaning operations.	
21	Miscellaneous Technical Services	Power analysis, high mast maintenance, and sample collection.
